ABOUT OUR MINISTRY

"NOT JUST A MOVEMENT...BUT A LIFESTYLE!"

God Over Porn seeks to reach those bound by sexual sin and pornography addiction, fostering a community of men and women that expresses love, grace, and hope to one another through online group support, bible studies, and workshops.

Founded on Ephesians 5:11:
Take no part in and have no fellowship
with the fruitless deeds
and enterprises of darkness.

WHY WE NEED VOLUNTEERS

Because sex is the #1 thing people search for on the Internet.

Because 12 to 17 year olds are the largest consumers of Internet pornography

Because 7 of 10 Christians say their leaders in the church admitted to visiting adult Web sites at least once a week

Because 4 out of 10 pastors said they did the same.

Because 60% of all Christian men and 30% of all Christian women are addicted to pornography.

God Over Porn's work is for God's glory alone, not ours. We are not a church but we are believers apart of local churches that preach the Gospel. It is the Gospel that releases every person from the weight and bondage of sin, and gives us new hearts and new desires to adore Christ.

God uses the Church to be a light to the world and expose addictions which are dark and damaging. For America, that addiction is pornography. The Church has specific gifts to use that will turn this world upside down. We would love to build you up in love and in your gifting so that God may be glorified in our effort to expose pornography and share the truth.

EXPECTATIONS AND GOALS

- Character - A volunteer is one who offers his or her service to a cause. We don't necessarily expect you to be a doer, if your character is not on point. Our volunteers should express or adopt similar qualities explained by Apostle Paul in Titus 1 and 1 Timothy 3, which represent Christ! These qualities include but certainly not limited to being above reproach, faithful, selfless, disciplined, sound in faith and pure.
- Consistency - God Over Porn is on mission with God until the return of Jesus. Our work does not stop, and we hope that our volunteers understand this important truth. Volunteers are not just "helping out". You are on mission with God, and we are sending you out in a particular avenue to do His work for the Kingdom. We expect you to be consistent in whatever your role is within God Over Porn. What you do here should be taken seriously and should be done diligently.
- Commitment - Wherever you desire to serve should be a passion that you already have. We expect our volunteers to already have a zeal for God's Word. We hope you are already in deep relationship with Jesus, and connected to a local church. In this, your commitment is proven and should be carried over into everything you do and are apart of - including volunteering for God Over Porn.
